## Who We Are:

Disaster Kleenup Specialists has served the greater Monterey Bay area since 1993 and offers the most comprehensive scope of **restoration solutions** for businesses, homeowners, and municipalities in the region. Ranging from small residential to large multi-story commercial losses, we have the experience, knowledge, and equipment to effectively execute and manage your restoration project. We are **recognized** for our dedication to customer satisfaction and making every step of the process as easy and pleasant as possible.

A woman-owned business, we are also a member of North America's largest disaster restoration contracting organization, **DKI**. With more than 300 locations and over 7,000 technicians across the US and Canada, DKI members are committed to upholding the highest **standards of quality** in the industry. DKI members use only the most effective mitigation and restoration techniques to ensure that your loss is handled **quickly** and **efficiently**.
