Who We Are:

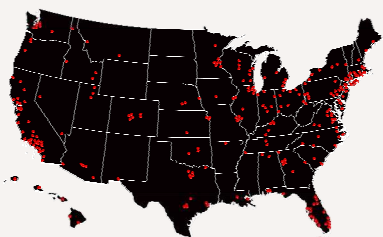

Disaster Kleanup Specialists is your local off-site **hazardous waste management** and **regulatory compliance** solution.

Hazardous and non-hazardous containerized waste ranging from a few ounces to 55-gallon drums is efficiently collected and properly disposed of through our waste collection and disposal services. Regular waste pickups ensure you ship within your regulatory guidelines and stay in compliance. We have routine pickup routes throughout Monterey, San Benito, Santa Cruz, and Santa Clara counties.

Disaster Kleanup Specialists has served the greater Monterey Bay area since 1993 and offers the most comprehensive scope of **restoration solutions** for businesses, homeowners, and municipalities in the region.

We are **recognized** for our dedication to customer satisfaction and making every step of the process as easy and pleasant as possible.

A woman-owned business, we are also members of **DKI**, North America's largest restoration contracting organization.
